PARTNERSHIPS & SPONSORSHIP

We are able to offer bespoke partnership opportunities to create campaigns that truly resonate with our audience and deliver both brand awareness and sales. Please get in touch to find out how we can help your brand.

IGTV LIVES

Some of our most successful partnerships have involved Liz interviewing brand founders or senior managers on one of our regular IGTV slots. This has generated extremely strong sales and new customers for featured brands. We have several packages available for brands interested in joining Liz for a chat to tell our loyal audience all about their products and brand story.

Please contact betty@lizearlewellbeing.com for more information on the IGTV lives.

Joining the LIZLOVES program has been great for increasing both brand awareness and sales. The IGTV Lives especially are a great way to talk directly to a key audience, allowing us to showcase not just our products, but our values and expertise in our sector. Something you just can't achieve with an ad. We always see an impact on direct sales after an IGTV Live, with around a 40% increase in daily revenue.

"After our last Instagram and Facebook live with Liz Earle Wellbeing, we saw sales increase by 103% and new users on our website increase by 118%. We also saw our conversion rate increase by 185%. We find Liz Earle Wellbeing's audience to be health-conscious, environmentally aware, and interested to find out more about us and our products. To add to that, it is a pleasure to speak with Liz and to work with the Liz Earle Wellbeing team because they are knowledgeable about gut health and really understand our health products and why we are unique."

- Sue Allen, Co-founder of Microbz

"Working with Liz Earle Wellbeing has undoubtedly supercharged Leapfrog Remedies. The Insta Live with Liz on Liz Earle Wellbeing's platform was a pivotal moment for our young brand. The exposure was enormous, the engagement genuine, and sales absolutely spiked. Many of her fans became Leapfrog's too, giving us the opportunity to speak with them and learn just how much they trust her advice and suggestions. We call it "The Liz Earle Wellbeing Effect" at Leapfrog HQ!"

- Stephanie Drax, Founder & Managing Director, Leapfrog
